

CUSTOMER PORTAL

Receive your certificates, documents and reports in a timely, efficient and environmentally friendly manner.

At Liftsafe Engineering and Service Group Inc., we are going the distance to ensure our customers receive their certificates, documents and reports in a timely, efficient and environmentally friendly manner. Our Customer Portal reporting system is designed to give you 24-hour access to your reports, certificates and inspections. This online tool eliminates the need for paper records and contains a detailed inventory of your equipment.

- Free access for all current customers
- Full summary report of all inspections and orders
- Manage equipment tasks, approvals and automate inspections
- Advanced data analysis with year to year data
- Available as an app for iPhone and Android
- Unlimited document uploads and storage
- Real-time updates and notifications
- Complete cost analysis of projects
- Free portal training available
- Secure access to all files
